

## Who Are We?

The SNDT Women's University is the first Women's University in India and South East Asia established in 1916. The Department of Economics was established in Churchgate campus in the year 1972 and it offers a 2-year on-campus Master's Degree Programme in Economics with 17 options. The Department also offers Ph. D. Programme in Economics in English, Marathi, Hindi and Gujarati medium.

With an internationally recognized Master's degree, our students are highly employable in various sectors. Our mission is to boost students' career prospects in teaching (school, college and university), research, journalism, NGOs, banks, financial institutions, central and state governments etc.

## Objectives

- ❖ To introduce the students to the advanced theories in economics.
- ❖ To equip students with analytical tools of economics to understand the current economic reality with perspective of problem solving.
- ❖ To introduce the tools of empirical analysis.
- ❖ To offer a wide range of courses enabling the students in their pursuit of specialization – e.g. Economics of Labour, Industry, Gender, Public and International Economics etc.
- ❖ To organize various curricular and co-curricular academic programmes.
